## POWERFUL HELPER ON CUTTERS AND GRINDERS

How many hundreds of kilos of ingredients do you lift into the cutter bowl or grinder hopper every working day? Get the full load of work relief: with the new Easy Lift crate lifting system for craft machines from K+G Wetter. Simply engage the loading trolley, raise the crates at the push of a button and decant – without bending and lifting.

- **Less effort, more time – day after day:**  
Easy Lift does the hard work, leaving you with more manpower and time to prepare the best products to perfection.
- **ONE system for grinders/mixer grinders AND cutters:**  
Easy Lift can be added to all craft machines from K+G Wetter machines.
- **Always ready to use, never in the way:** Folded up on the machine body to save space, Easy Lift is ready for use in a single movement.
- **Maximum flexibility:** Easy Lift can be mounted parallel or at right angles to the cutter or grinder, perfectly supporting your work processes.
- **Simply hygienic:** Easy Lift is just as hygienic to clean as your K+G Wetter machines – thanks to the compact, closed body made of stainless steel, specially sealed screw connections and a well-thought-out design with no hidden corners.
